## MEMBERSHIP DUES

### **DUES**

Annual dues for each member of the Association shall be due and payable on February 1st and may be paid in full or quarterly. A 5% discount shall be granted for payment in full by the end of the first quarter. If two or more schools have a common ownership, the dues for the first institution will be based on the cumulative earned tuition of the multiple schools. For each additional school, \$500.00 will be charged for that institution's membership. If the second institution of the multiple ownership wishes voting rights, it shall be required to pay on the cumulative earned tuition of that separate campus, which then would be deducted from the total combined school amounts.

If the dues are not paid within 60 days after becoming due, they shall be delinquent. No discounts will be credited on delinquent accounts. The annual dues of a school admitted to membership in the Association during the second, third, or fourth quarter of the fiscal year, shall be pro-rated on a quarterly basis. Delinquency of dues may, at Board discretion, terminate membership in the Association.

### **Associate Member Dues**

Associate members shall pay annual dues in such an amount as may be determined by the Board of Directors. Current assessment is \$500.00. **Membership at the Associate level is limited to no more than three consecutive years.**

### **Honorary Member Dues**

Honorary members shall not be required to pay dues.

### **Fiscal Year**

The fiscal year of the Association shall be January 1st through December 31st.
